

Important Announcement

Madam/Sir,

We are extremely happy to announce that Cyber Security Centre of Excellence and WEBEL have launched a course “**CYBER SECURITY BASIC CONCEPTS**” on our own LMS platform.

This introductory course will give you an insight into the basic concepts of cyber security required for protecting your personal as well as professional digital life. This course will be FREE for National Cyber Security Awareness Month (NCSAM) during entire October 2024. To avail the course, kindly visit **<https://webel.academy/cscoe/> and register.**

You are requested to kindly share it with your students/employees/communities towards building a Cyber Safe Bengal - Cyber Safe India.

Thanking you with best regards,

Yours faithfully,

Member-Secretary,

Cyber Security Centre of Excellence &

Additional Secretary, IT&E Department.
