Life Science** courses within 4 (four) consecutive academic sessions from the date of passing the qualifying examination, provided that the candidate must have passed in Four (04) recognized subjects (excluding Environmental Education/ Studies) including one language subject in the qualifying examination
2. Candidate passing Higher Secondary examination (10+2) from vocational stream conducted by the respective Board/ Council for vocational studies or any equivalent board / council are eligible for admission to **3-year Bachelor's degree with Multidisciplinary programme in Humanities or in B.Sc. Life Science** courses only within 4 (four) consecutive academic session from the date of passing the qualifying examination, provided that the candidate must have passed in 4 (four) recognized subjects including at least one language subject in qualifying examination.

Specific Eligibility Conditions:

Bachelor's degree (Honours) with (Single) Major in Arts:

Students who have passed Higher secondary or equivalent examination with minimum 45% marks in aggregate (to be calculated by adding the marks obtained in 'Best four' subjects excluding Environmental Studies) or 50% marks in the subject or related subject (in which the admission in major course is sought) are eligible to apply for admission in Bachelor's degree program (Honours) with Single Major.

Bachelor's degree (Honours) with (Single) Major in Science:

Students who have passed Higher secondary or equivalent examination with minimum 45% marks in aggregate (to be calculated by adding the marks obtained in 'Best four' subjects excluding Environmental Studies) or 50% marks in the subject (in which the admission in major course is sought) **or related subject in case of Nutrition and**

Microbiology are eligible to apply for admission in Bachelor's degree program (Honours) with Single Major.

Bachelor's degree (Honours) in Nutrition

Regarding admission to Bachelor's degree (Honours) in Nutrition (as single major) only those students are eligible who have passed

Either Nutrition with Biology or Chemistry at the H.S. level.

Or,

Both Biology (to be considered "the related subject" in place of Nutrition for eligibility) and Chemistry at the H.S. level.

Bachelor's degree (Honours) in Microbiology

Regarding admission to Bachelor's degree (Honours) in Microbiology (as single major), only those students are eligible who have passed **both Biology/Biotechnology (to be considered "the related subject" in place of Microbiology for eligibility) and Chemistry at the H.S. level.**

Bachelor's degree with multidisciplinary programme in Humanities or in B.Sc. Life Science.

Students who have passed Higher Secondary or equivalent examination with minimum 45% marks in aggregate (to be calculated by adding the marks obtained in 'Best Four' subjects (excluding Environment Studies) including one language subject Studies at Higher Secondary / Equivalent examination.

Other Important Information:

- i. Candidates who have passed the qualifying examination in 2021, 2022 and 2023 may also apply.
- ii. Candidates who have passed 10+2 level examination from West Bengal State Council of Technical and Vocational Education and Skill Development are eligible to apply for only **3-year Bachelor's degree with Multidisciplinary programme in Humanities or B.Sc. Life Science** courses.

Merit Point Calculation Rule

4-year Bachelor's degree (Honours) with (Single) Major in Science/Arts:

Merit point for admission in Bachelor's degree (Honours) with (Single) Major course to be calculated by adding 10% of total marks obtained in the Best four subjects excluding Environmental Studies and the marks obtained in the subject selected as major subject.

For Bachelor's degree (Honours) with Nutrition as Major course, in case the applicant does not have **Nutrition** as a subject in the Higher Secondary (Class 12) or equivalent examination, his/ her marks in either Biology or Chemistry (whichever is higher) in place of "the subject selected as major subject" will be considered for merit point calculation.

For Bachelor's degree (Honours) with Microbiology as Major course, as Microbiology is not present as a subject in the Higher Secondary (Class 12) or equivalent examination, his/ her marks in either Biology, Biotechnology or Chemistry (whichever is higher) in place of "the subject selected as major subject" will be considered for merit point calculation.

- The admission will be based on the marks obtained in the Higher Secondary (Class 12) or equivalent examination.
- In case of a tie, the marks of the subject (from HS) selected as major subject will be used as a final tie-breaker.
- If the tie persists, the aggregate marks of the Madhyamik (Class 10) or equivalent examination will be used as a tie-breaker.
- If the tie persists, the marks of the First Language subject (from class 10 Exam) will be used as a final tie-breaker.

3-year Bachelor's degree with multidisciplinary programme in Humanities or in B.Sc. Life Science:

Merit point for admission in Bachelor's degree with multidisciplinary programme in Humanities/B.Sc. Life Science course is to be calculated by adding the marks obtained in Best Four subjects (excluding Environment Studies) including one language subject Studies at Higher Secondary/Equivalent examination. The admission will be based on the marks obtained in the Higher Secondary (Class 12) or equivalent examination.

- In case of a tie, the marks of the subject (from HS) selected as major subject will be used as a final tie-breaker.
- If the tie persists, the aggregate marks of the Madhyamik (Class 10) or equivalent examination will be used as a tie-breaker.
- If the tie persists, the marks of the First Language subject (from class 10 Exam) will be used as a final tie-breaker.
