

GOVERNMENT GENERAL DEGREE COLLEGE, NARAYANGARH

**Affiliated to Vidyasagar University
Accredited & Graded 'B' by NAAC (1st Cycle)**

Bhadrakali, Narayangarh, Paschim Medinipur, West Bengal

ESTD: 2017

Prospectus

SESSION 2025-26

Message from the Principal

Dear Prospective Students,

It gives me immense pleasure to welcome you as you explore the Prospectus for the academic session 2025–26. Government General Degree College, Narayangarh—affiliated to Vidyasagar University—has been a beacon of inclusive and quality education since its establishment in 2017. Over the past eight years, the college has achieved significant milestones in higher education, striving continuously to keep pace with modern pedagogical trends while staying rooted in the values of equity, excellence, and accessibility.

Situated in a comparatively remote region, our college serves as a sanctuary of hope and opportunity, particularly for students from economically and socially disadvantaged backgrounds. Government General Degree College, Narayangarh, has brought the light of higher education to the doorsteps of rural communities, making learning not only affordable but also transformative. We take great pride in empowering the youth with academic rigour, life skills, and ethical awareness, preparing them to become responsible and self-reliant citizens.

Our approach to education is holistic—blending classroom learning with co-curricular engagements such as debates, sports, cultural events, and community outreach. With state-of-the-art gymnasiums, separate facilities for boys and girls, and a vibrant campus life, we believe in nurturing both body and mind—honouring the timeless wisdom of *Mens sana in corpore sano* (A sound mind in a sound body).

A key focus of our institution is to promote gender equity and inclusiveness through an active mentor-mentee system. Special care is taken to ensure a safe, encouraging, and supportive environment for female students and those from unprivileged communities. Our well-furnished, air-conditioned library, spacious classrooms, and modern teaching-learning tools create an enabling atmosphere that fosters curiosity, discipline, and academic engagement.

Aligned with the vision of the National Education Policy (NEP) 2020, we are undertaking substantial academic and administrative reforms to prepare students for the evolving demands of the global knowledge society. From subject expertise to communication, environmental responsibility, and leadership, we aim to develop all-rounded individuals ready to meet the challenges of the 21st century.

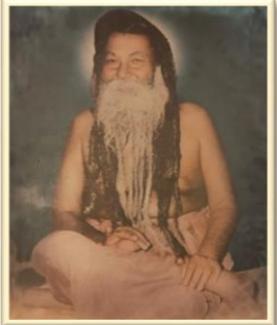

Government General Degree College, Narayangarh, offers a diverse array of undergraduate programmes and add-on courses designed to cater to your interests and aspirations. I invite you to explore the opportunities that await you here and to embark on a meaningful journey of learning, growth, and success.

I look forward to welcoming you to our academic community and wish you a fulfilling and bright future ahead.

DR. BADAL KUMAR JANA
Officer-in-Charge
Govt. General Degree College, Narayangarh

PRINCIPAL/ OFFICER -IN-CHARGE**Name****Dr. Badal Kumar Jana****SECRETARY, TEACHERS' COUNCIL****Name****Mr. Abhishek Roy****COORDINATOR, IQAC****Name****Dr. Saugata Mukhopadhyay**

The College at a Glance

1. Government General Degree College, Narayangarh (hereafter referred to as GGDCN) is situated on the land donated by the villagers in response to the call given by the local revolutionary-turned-saint, Ushananda Giri Maharaj, for the establishment of an Academic Institution of Excellence. Ushananda Giri Maharaj (born Ajit Maity) was a banker during the colonial regime in India. He was also associated with a “Gupto Samiti” (Secret Association of the Armed Revolutionaries). He secretly siphoned off all the money from the Bank for the hallowed cause of the armed struggle for India’s Independence, and eventually absconded to the Himalayas. Maharaj later returned to the village in the form of a holy person and set up the “Yogayatan Ashram,” which is currently affiliated to the “Jhargarm Sebayatan.” During his lifetime, he established three Higher Secondary Schools in the locality. He went incognito, again, from Bhagalpur, Bihar, when a rumour spread that he was none other than Netaji Subhash Chandra Bose. During his anonymous stay there, he wrote a letter to the Managing Committee of “Yogayatan Ashram”, expressing his final wish to use the land adjoining “Domnaar Paar” (exactly where the present college is situated) for the establishment of a college. Later, paying heed to the demand of the local people of this region, the Hon. Chief Minister of West Bengal, Smt. Mamata Banerjee took the necessary initiative to establish this College as her Dream Project.
2. GGDCN is recognised by the University Grant Commission under section 2(f) of the UGC Act, dated 11th May 2023. The College was accredited and graded B (CGPA - 2.49) by the National Assessment and Accreditation Council (NAAC) in January 2025.
3. The college campus is located at Vill. - Rathipur, P.O. - Bhadrakali, Dist. - Paschim Medinipur, Block - Narayangarh. It is approximately 7 kilometres from Narayangarh Railway Station and about 28 kilometres from Kharagpur Railway Junction. Strategically situated near the Kolkata-Chennai Highway (NH-16), the campus is around 200 kilometres away from Kolkata, ensuring good connectivity.
4. The institute covers an area of approximately 10.27 acres. The campus features an Academic Block, well-equipped laboratories, a seminar hall, an administrative block, and a large playground. The college has a modern badminton court and cricket practice setup for students, along with amenities for other sports.
5. The college meets the educational requirements of socially and economically underprivileged students of the surrounding locality. By providing college education to the doorsteps of these students, GGDCN has made higher education accessible and affordable for those who would otherwise have been unfairly deprived.
6. The College takes special interest in bringing female students and students from underprivileged sections of society into the mainstream of education by offering them the support of an active “mentor-mentee” system. In addition to performing the conventional roles of an ‘Institution of Higher Learning,’ GGDCN

has been trying its best to provide an encouraging environment, a safe space, and proper guidance to its female students to foster gender equity in the immediate locality and society.

7. The College library, air conditioned with munificent facilities and cosy reading rooms, encourages students to spend more time with books than they would otherwise do in the sultry and stifling heat of the place. The library is equipped with the necessary books, a wide range of professional books, journals, magazines, periodicals, and research publications, and the total acquisition of these books is constantly enhancing and expanding.
8. The classrooms are generously spacious, well ventilated, and equipped with all necessary teaching-learning tools for offering a suitable learning environment to students.
9. The science laboratories are furnished with modern and sophisticated equipment to support academic and research needs effectively.
10. The college has a CCTV surveillance system to ensure the safety and security of all. Moreover, unauthorised access to the college premises is stringently checked to maintain peace and order.
11. The college offers free Wi-Fi to students to enhance their learning experience.
12. The students are encouraged to participate in holistic education comprising curricular and co-curricular activities like sports, debates, discussions, and individual and community development activities. The college has state-of-the-art Gymnasiums with separate spaces for both boys and girls. These Gymnasiums are equipped with all sorts of modern amenities.
13. The college has separate Common Rooms for both boys and girls.
14. The college has two Units of NSS, and its participants take part in different state and national-level activities.
15. The college has a functional canteen for students and staff.
16. We are determined and committed to equipping our pupils with all the indispensable skill-sets in the realms of subject knowledge, environmental ethics, morally-sustainable living skills, affective skills, communication skills, interpersonal skills, and leadership skills so that their life— even beyond the immediate boundaries of the college— becomes self-sufficient, respectable and worthy of emulation. They are expected to find themselves self-reliant with a capacity to think ethically and independently.

Objectives

Vision

- To inculcate a sense of confidence and dedication in the students for better understanding of their position vis-à-vis the society at large, thereby enhancing their sense of self-reliance and hunger for academic excellence.
- To boost interest and stimulate curiosity in the minds of the students, not only in relation to their prescribed/chosen subjects but also with regard to the wider world around.
- To modulate their outlook regarding the necessity of higher education and their professional careers ahead.
- Create a suitable environment to help students develop a lively interest in vocational skills so that they can explore professional opportunities beyond the banal and the hackneyed, and establish themselves as economically independent individuals of society.
- To create responsible and respectable citizens who can render demonstrably better services to society at large.
- To inculcate free and ethical thinking among learners through value-based education.

Mission

- To synthesise the creative energy and cognitive potential of all the stakeholders of the College.
- Use of available resources, ingeniously and wisely, to bring about abiding improvements like the addition of new Departments to the college, expansion of the catchment area of the institution, thereby bringing within its fold a much larger section of the students' community.
- To take the influence of the college much beyond the confines of the merely academic and enthuse students to see themselves as messengers of modern transformative ideas and agents of social change. The two NSS Units of the College shall be the principal weapon in its armoury, which the college shall generously employ to translate the aforesaid resolve into a palpable reality.
- To inculcate suitable values in students that would let them cultivate ways of advancing co-curricular activities in the college and stop seeing these as mere "extra-curricular" exercises. This is bound to precipitate the intended effect of producing a more tolerant, capable, versatile, and flexible generation of young citizens.
- To foster a sense of respect for the plurality of identities, moral and ethical behaviour and all-round development of the students.
- To further activate the ICT-based teaching-learning processes.
- To preserve and promote the knowledge of Indian languages and cultures without being vulnerable to any claims of bigotry.
- To increase the number of career-counselling programmes and, thus, to better prepare our students for the ever-evolving trends, demands and challenges of the professional world.

- To familiarise the students with the insights and expert views on various facets of life by bringing them into seminars and workshops conducted by the great achievers of society.

Scholarship and Other Financial Facilities

- Government Educational Scholarships are available for students, including **Kanyashree Prakalpa, Swami Vivekananda Merit-cum-Means Scholarship, Oasis Scholarship, Chief Minister Relief Fund, Single Girl Child Scholarship**, and others.
- The **West Bengal Student Credit Card Scheme**, which alleviates students' financial constraints, is also available for students in need.

Note: *Any scholarship award is liable to be withdrawn in case of unsatisfactory work or misconduct.*

Rules and regulations of the College

1. General Instructions to Students Regarding Conduct and Discipline

1. Students must enter and exit classrooms with the teacher's permission and maintain decorum during classes.
2. Noisy or disorderly conduct, including loitering in corridors and disturbing ongoing classes, is strictly prohibited.
3. Courteous behaviour towards faculty members, non-teaching staff, and fellow students is expected at all times.
4. Vandalism or disfiguring college property (walls, furniture, doors, windows, etc.) is a punishable offence.
5. Students must avoid any act detrimental to the reputation and interest of the college.
6. Use of mobile phones in classrooms or during academic sessions is strictly prohibited unless permitted for academic purposes.
7. Substance abuse, smoking, or consumption of intoxicants on the college premises is strictly prohibited.

2. Attendance Requirements

As per Vidyasagar University regulations:

Minimum attendance to be eligible for University Final Examination:

Collegiate: 75% and above.

Non-Collegiate: 60% to 74%, with condonation fee.

Below 60%: Not eligible to fill up examination forms for the University Examination as per the Regulation of Vidyasagar University.

Students failing to attend any class in a particular month may have their names struck off from the register. Students are allowed to appear at the final examination as “non-collegiate students” on payment of the requisite condonation fee.

Students must have 60% attendance in class before every Unit Test. Students failing to attend the requisite 60% of classes will NOT be allowed to appear in the Unit Test.

A student who does not attend a single class in a particular month will not be allowed to attend further classes, and his/her name may be struck off from the register.

[Note: *Non-Collegiate Students, Parents and outsiders are allowed to enter campus by special permission from the college authority with specific reasons.*]

3. Identity Card and Campus Access

- Students must carry their college-issued Identity Cards every day.
- Entry to the college premises without a valid ID card is not permitted.
- Students must show the card when asked by any teaching or non-teaching staff or at the main gate.

4. Anti-Ragging Policy

- The college follows UGC regulations and the Supreme Court directives on Zero Tolerance towards Ragging.
- Ragging in any form—verbal, physical, or psychological—is a criminal offence.
- Students involved in ragging shall face disciplinary action, including expulsion and legal proceedings.
- Every student must submit an anti-ragging undertaking at the time of admission, as per UGC norms.

5. Academic Calendar

- First Term: 1st July – Beginning of Puja Holidays
- Second Term: Post-Puja Reopening – Winter Recess
- Third Term: 1st January – Summer Recess

6. Additional Disciplinary Guidelines (As per UGC & VU)

- Sexual harassment, caste-based discrimination, or any form of harassment will be dealt with under strict disciplinary and legal measures.
- Students must respect diversity and uphold constitutional values, including gender sensitivity, secularism, and social responsibility.
- Participation in academic, co-curricular, and extension activities is encouraged as per CBCS/NEP guidelines.
- Use of unfair means in exams, including impersonation, is strictly prohibited and will invite severe action.
